Coming soon to Winter Park

A new custom home by Orlando Custom Home Builders, planned as a two-story modern-transitional residence with a walk-out lower level.

The plan centers on a large pivot entry door opening to views of the lake and the outdoor living spaces, with a pergola, pool and casita set on one level so there are no steps down to the pool.

Upstairs, a great room with a wet bar and a club room overlook the lake, with a covered porch and second-floor walkout for entertaining. The primary suite is planned as a separate, generously sized retreat with a large glass-and-open primary bath.

Design, finishes and specifications are preliminary and subject to change. Renderings and floor plans will be released as the design is finalized.

- ◆ Glass wall systems and 11-ft ceilings (planned)
- ◆ Pool, casita and pergola on one level
- ◆ Second-floor great room, wet bar and club room
- ◆ Covered porch with second-floor walkout
- ◆ Stepped-down garage with dumbwaiter (planned)
