THREE SCENARIOS

Make yourself \$300k

Scenario 1

\$1,646,000 • \$623 / SQ FT

The builder may build the house for you: \$795k (to the seller) + \$850k (actual construction cost estimate, current house demolition included). You deal directly with the seller's builder. 08.25.2025: demolition notice period ends. Full permits 2 weeks to 1 month away, and you can start building right away.

Images are architectural renderings. Scenario 1 is reproduced as the source prints it: a \$1,646,000 total alongside components of \$795k and \$850k. The source states both. Resale ranges are the source's estimates, not appraisals.

Scenario 2

INVESTORS

Build right away for less and sell for \$1.9M to \$2.1M.

Scenario 3

PURCHASE AS-IS

Purchase the property as-is with the full set of plans, permits and the demolition period over, and build with your builder or Goyal & DeCoster's builders of choice.
